# STACK

Analysis tool for architectural design  
and system combining for construction drawing

## CONCEPTUAL DESIGN

Layer stack

# STACK

Analysis tool for architectural design  
and system combining for construction drawing

## FUNCTIONAL PRODUCT

### Architectural design analysis

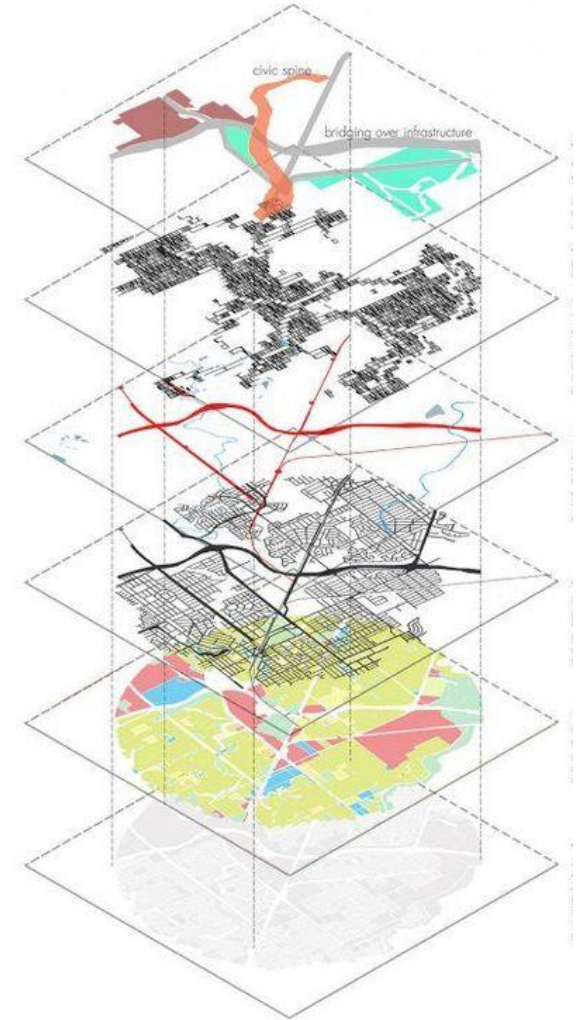

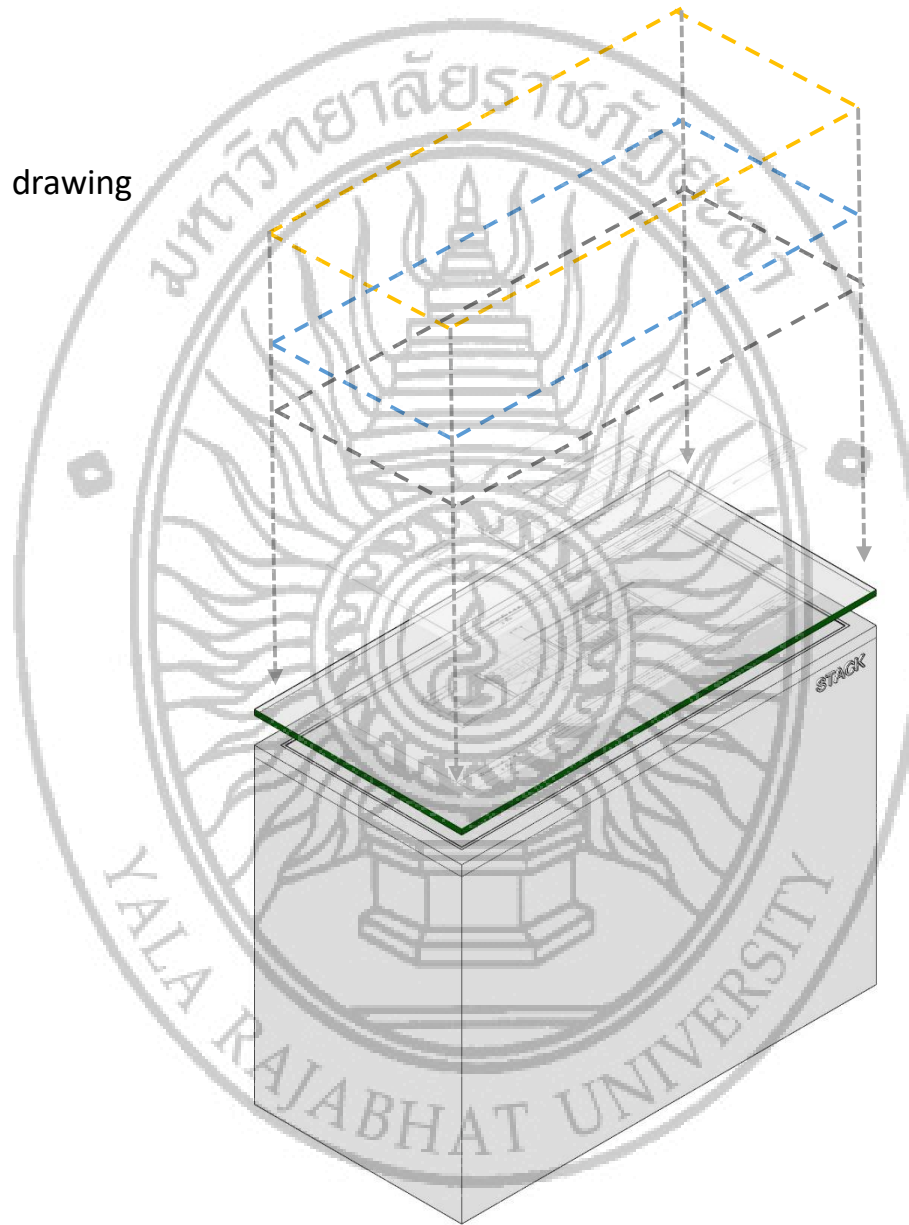

- Site analysis
- Function analysis
- Circulation analysis
- Accessibility analysis

### Design development

- Schematic Studies
- Zoning Studies

### Building combining analysis

- System combine
- Shop drawing combine

# STACK

Analysis tool for architectural design  
and system combining for construction drawing

## MAIN MATERIAL

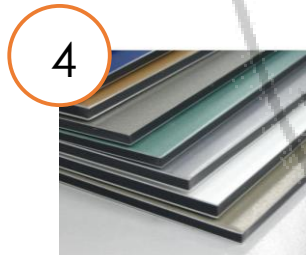

Tempered Glass

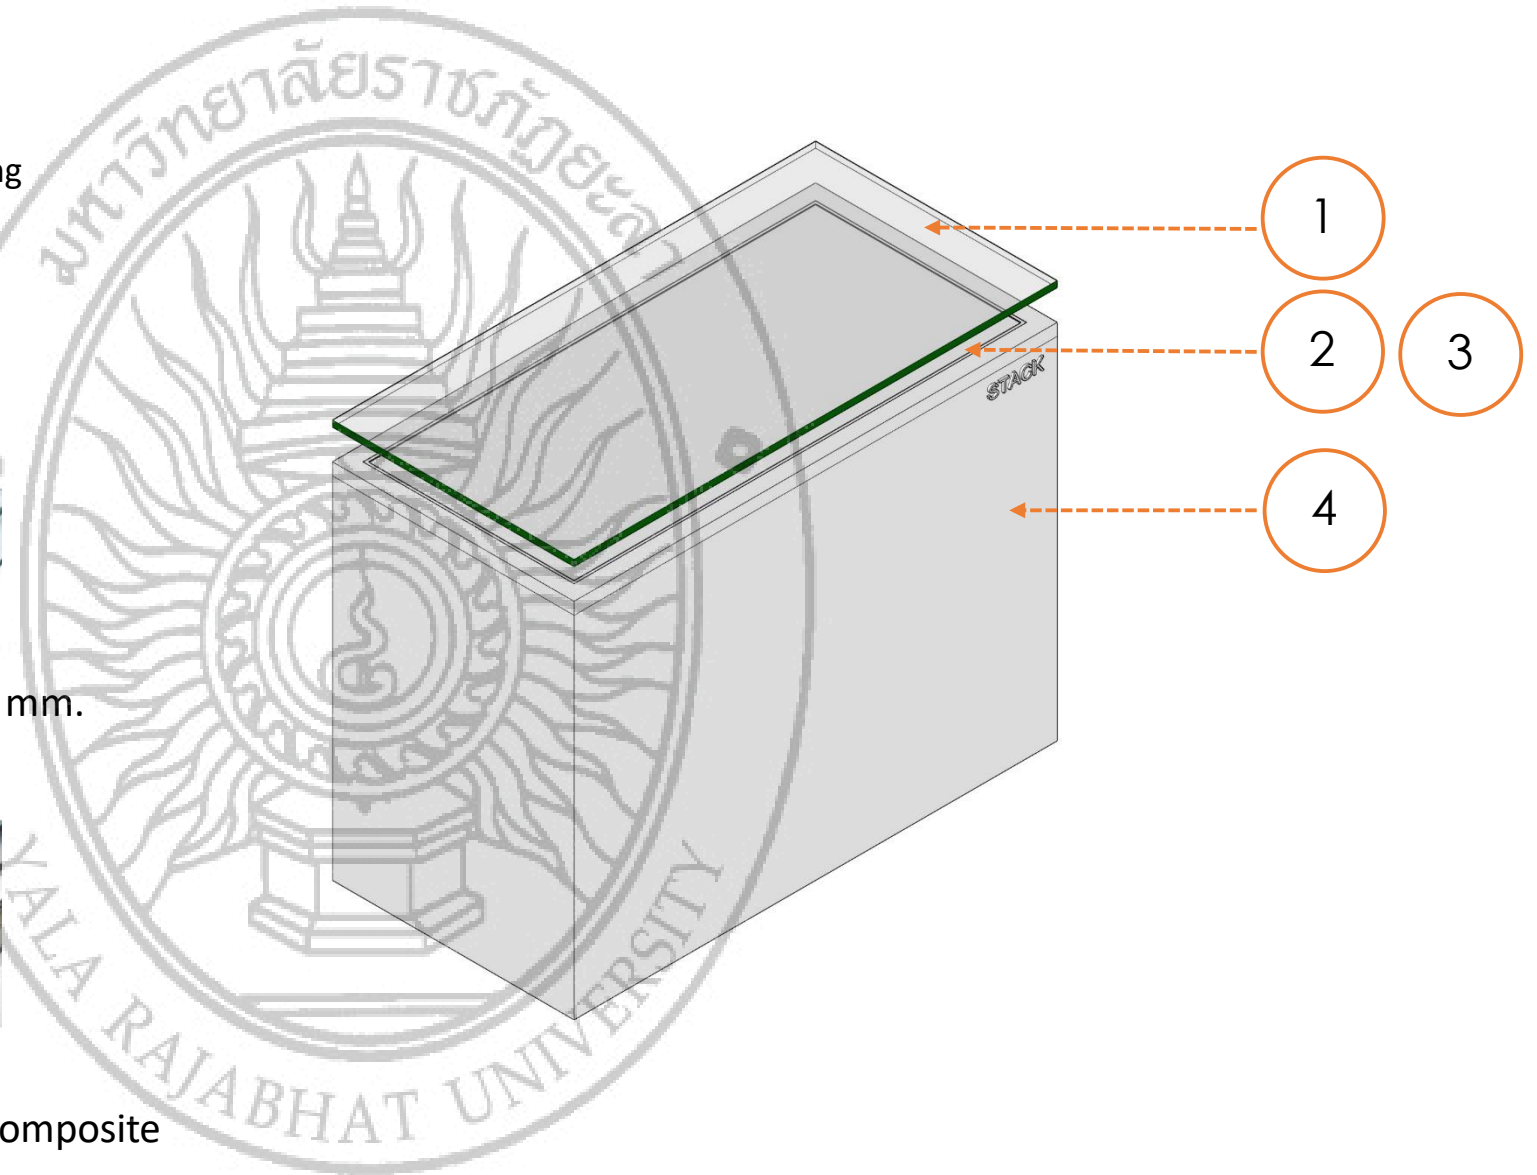

Glass thk. 6 mm.

Led lighting / day cool

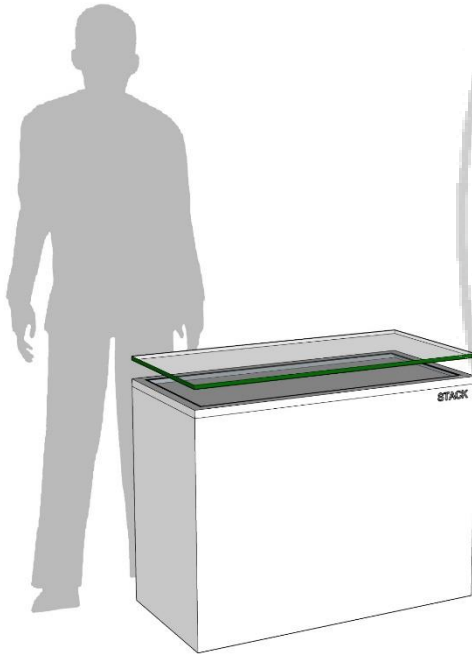

Aluminium composite

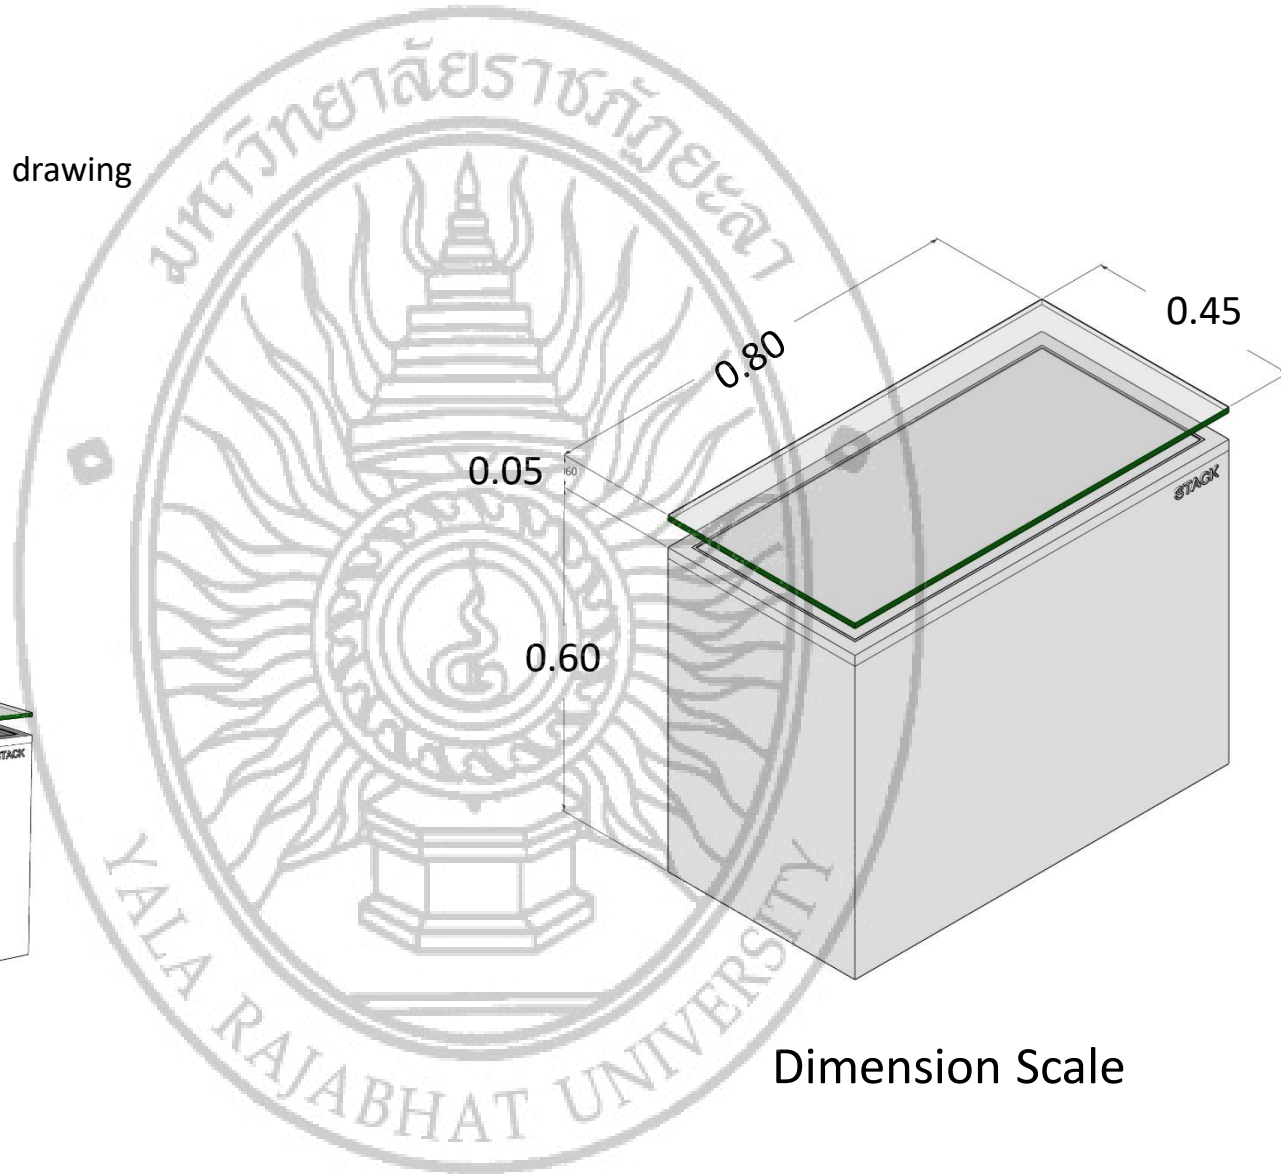

# STACK

Analysis tool for architectural design  
and system combining for construction drawing

## PROPORTION & SCALE

Human Scale

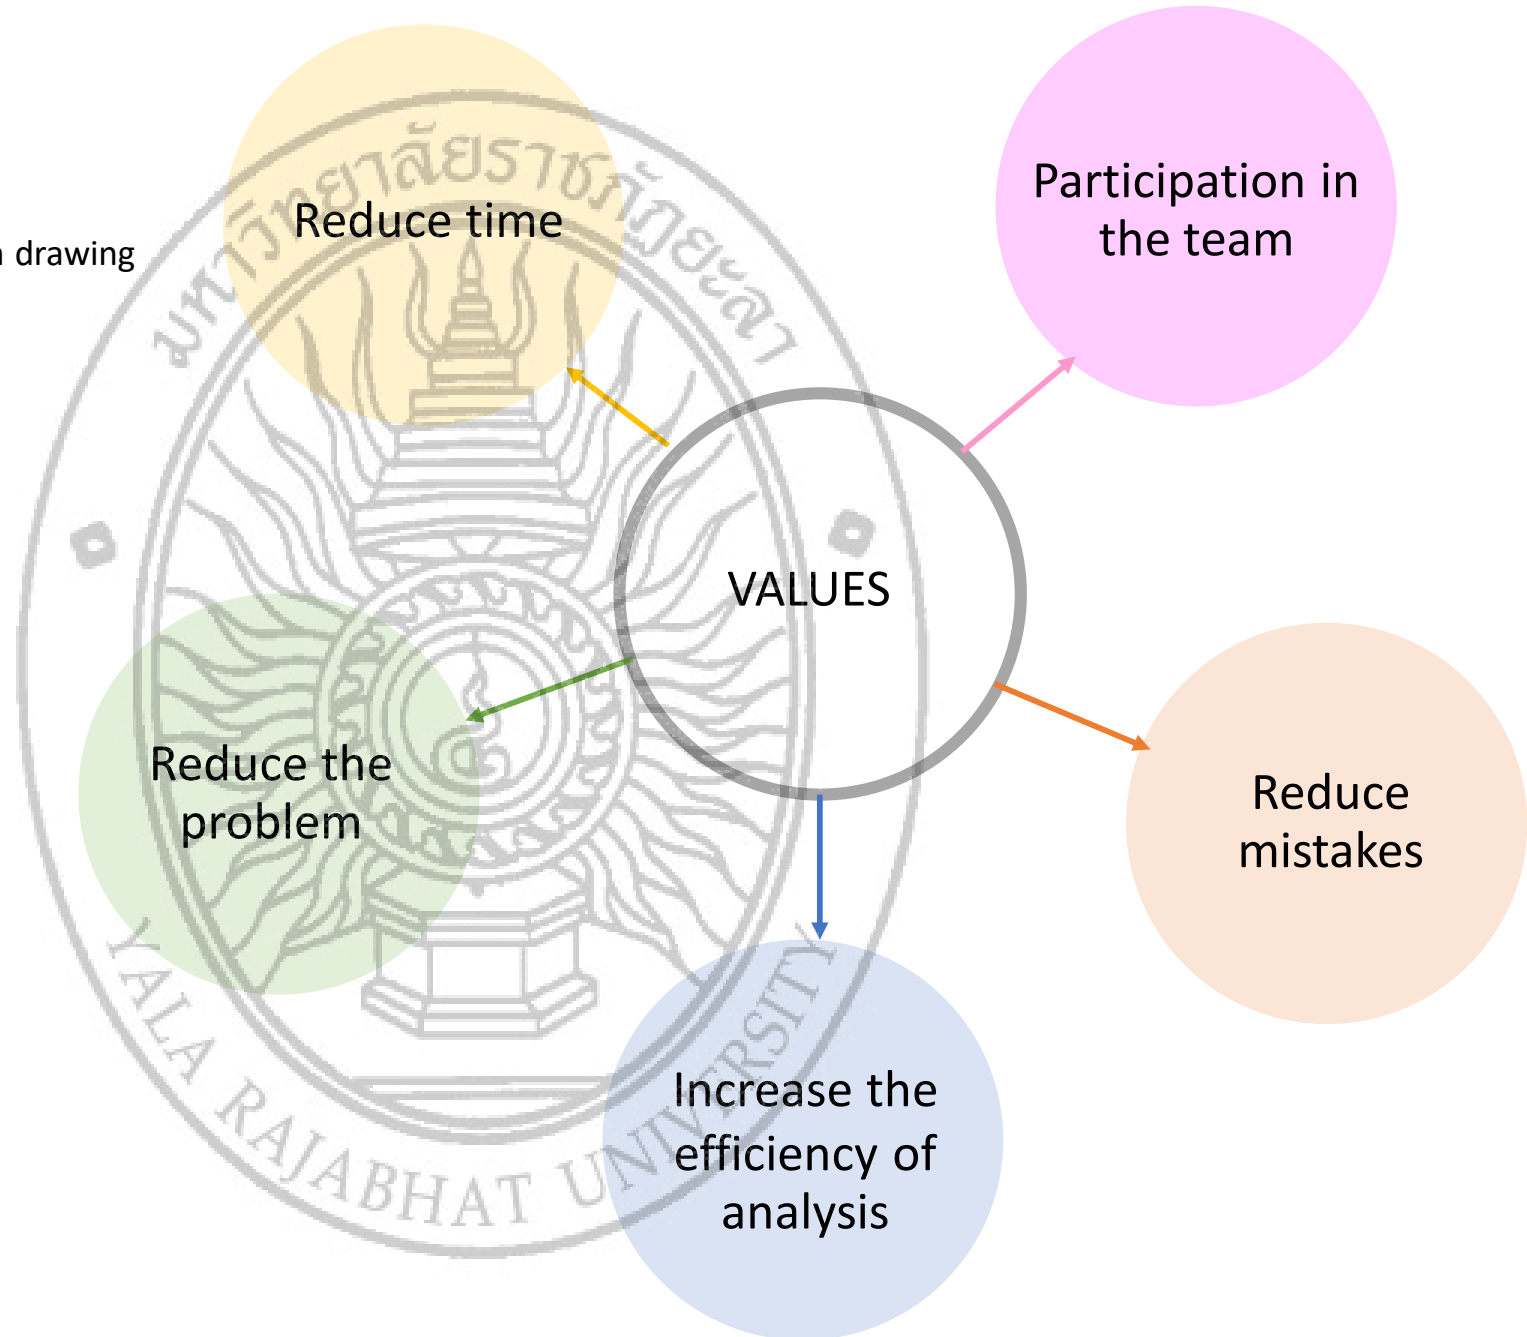

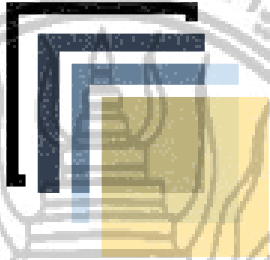

Dimension Scale

# STACK

Analysis tool for architectural design  
and system combining for construction drawing

## PRODUCT VALUES

THANK YOU
